

Supply Chain Project Manager

JOB DESCRIPTION

Muuto is a leading Scandinavian design company, positioned in the affordable luxury segment, with a strong attractive range of furniture, accessories and lighting products. The culture reflects entrepreneurship and creativity, where joined responsibility is highly valued.

Muuto is growing and we are looking for a strong supply chain candidate with a proven track record of managing outsourced production efficiently without compromising the defined service levels. The Supply Chain Project Manager will be responsible for the full value chain within own portfolio, and will have a key role in managing and developing the supply chain portfolio.

Your primary tasks and areas of responsibility:

- Evaluate on supplier's performance and initiate corrective actions when required
- Risk analysis on supplier portfolio & exploring new market possibilities when needed
- Ensure best in class quality, while focusing on cost reduction opportunities
- Keeping Navision updated with valid data, creating and maintaining stock items
- Handling of inquiries(prices/lead-time/specials/etc.)
- Continuous optimization of the procurement process
- Complete and maintain contracts with suppliers
- Follow up on purchase orders
- Responsible for stock replenishment within portfolio
- Maintaining supplier forecast

REQUIRED SKILLS AND EXPERIENCE

The ideal candidate is expected to have a Master in Supply Chain, Bachelor's in Production Eng., HD or equivalent, but experience from a similar role is more important. We expect excellent analytic skills, a proactive mind-set, and a structured approach.

Furthermore

- Plus 5 years' experience working within supply chain
- Excellent communication skills - Fluent in both spoken and written English & Danish
- Skilled user of Microsoft Dynamics Navision
- Super user of MS Office, especially Excel

The ideal candidate is result oriented with a get-it-done attitude, able to work independently but also a team player with a pragmatic approach to collaboration internally and externally.

COMPANY DESCRIPTION

Muuto is a design company based in Copenhagen, Denmark. It is internationally successful and strives to add fresh perspectives to Scandinavian design and thereby put the region back in the lead on the international design scene. This is also the story behind the name, Muuto, - inspired by the Finnish word "Muutos", meaning change or fresh perspective.

Muuto offers a fulltime challenge, with great opportunities for personal development. A good work environment, characterized by entrepreneurial spirit, openness, influence and responsibility.
